

**For Immediate Release:**

## **Catholic Identity**

by Tom Fayette

I believe that any Catholic today that is in the Sacraments properly, must admit that we need to take a dramatic stand to regain our Catholic Identity. We must reclaim the values that established this country in the first place. But who has the courage? We've been cowed, and whipped into submission of the world and the ways of the world for so long that fear seems to be in charge.

When the media gets done with us, and they end up making Catholicism illegal, just how many of us will have enough evidence against us to be publicly identified as Catholic? Overcoming the adversities of an evil world is going to take courage and veracity. We're looking for Catholics with enough love of Jesus Christ to take a stand. There is not a better way to take that stand than to erect a large Crucifix so that it can be seen by the world. Viewing the Crucified Lord and seeing the greatest of love acts known to mankind, brings a conscience reaction. The more people we expose to the Crucifix, the more people will be healed.

Our little Catholic non-profit organization has made it easy for you to take the stand for the Lord and our faith that has to be recognized. Nothing says "Catholic" better than a Crucifix! It is our identity. We have developed a source of very high quality outdoor fiberglass corpus for your Crucifixes, at a suggested donation that anyone can afford. If your budget is limited, we will even accept donations as you can afford them. The importance of this mission is to get them up, and get them up now. Please help us to reclaim our Catholic Identity. God will bless all who take this proud, and courageous stand in the battle against the evils of this day. Install one as a memorial to the loved ones of your own family, and as a shrine to be shared by all that have access to it. Become a member of the Evangelizers, and be proud of your faith,

sharing it with a world in much need. Got to our website and contact us ([www.seedplanted.com](http://www.seedplanted.com)), or write to us at Evangelizers, 323 Pollock Rd, Canton, NY 13617, or Evangelizers, 1072 NE 272 Ave, Old Town, Florida 32680. It's time to be on the front line for the Lord....do it now before the devil talks you out of it. May God bless you for your courage. Please put our link on your website, or email list.
