

OUR MOTO

***Change the world,
one Cross at a time!***

By exposing this single greatest act of love known to mankind, hearts, minds, and even destinies will be changed and altered.

Plus, our Catholic identity will be restored as we convert those in our own environment.

Jesus said, If you are ashamed of me before men, I will be ashamed of you before My Father....

OUR GOAL

***Put Crucifixes up,
publicly, and proudly,
proclaiming Christ as
our Lord and Savior!***

**Many cannot evangelize in words—
No words needed
here!**

This sculpted corpus, was chosen by the Lord Himself as He directed this gift to become the model and image challenging this mission of Mercy to the world. Do your part, put one up for the Lord!
